

## Jupiter Moon 3 Corset Order Form

-Welcome to Jupiter Moon 3! Have fun ordering your corset!

First things first, please ADD ME to your email contacts so future emails don't end up blocked or in your spam folder. Please fill out the order form as thoroughly as possible. I need all measurements, fabric choices, accessories, personal info, etc, all on ONE form. Please avoid sending a half filled out order form. You can fill out your order form right here, as is! No need to print it out. Just save it and type in your responses. To make things easy for you, you can refer to the lists and visual aids in the links below in reference to your corset style choice and accessory options. Feel free to contact me at [jupiter\\_moon\\_3@yahoo.com](mailto:jupiter_moon_3@yahoo.com) with any questions, or visit my website's FAQ page, at [www.jupitermoon3.com/faq](http://www.jupitermoon3.com/faq). If you are uncomfortable measuring yourself, you can always order a standard sized corset, they are just as customizable as a fully fitted custom corset! To find out more, please see this page on my website: [www.jupitermoon3.com/custom](http://www.jupitermoon3.com/custom)

\*\*\*Important!\*\*\* Please keep in mind that a Jupiter Moon 3 corset usually takes eight to ten weeks to complete, as you have read, and sometimes longer, and sometimes longer for multiple items. There is no guaranteed completion date unless you contact me before ordering, and you place a rush order, OR if you use my "secure the date" option.
